A quote from Pope Francis:

"We have heard the voice of the poor, of children and the younger generations, of women and so many brothers and sisters who are suffering due to war. With them let us say with conviction: No to war! May the anguished cry of the many innocents not go unheeded. Let us urge leaders of nations to defuse the causes of war: the lust for power and money, the greed of arms' dealers, personal interests and vendettas for past wrongs. We need a greater commitment to eradicating the underlying causes of conflicts: poverty, injustice and inequality, the exploitation of and contempt for human life."

— Address for the World Day of Prayer for Peace, Assisi, Sept. 20, 2016
